

Vikash Khanna V

Front End Developer

My Portfolio - <https://khanna.netlify.app/>

EXPERIENCE

Accenture

Nov 2021 – Present

Application Development Analyst

- Played a key role in developing end-to-end solutions using a comprehensive tech stack, including AngularJS for front-end development, DotNET (C#) for the backend, Microsoft SQL for database management, and Azure Functions for serverless computing.
- Collaborated with cross-functional teams to design and implement robust and scalable architectures, resulting in 30% improvement in user interface responsiveness and a 15% increase in user engagement.
- Conducted code reviews and implemented best practices to maintain high code quality and security standards.
- Collaborated with the UX/UI design team to implement a redesign of the user interface, leading to a 40% increase in user satisfaction ratings.
- Utilized Azure DevOps for streamlined development processes, including continuous integration and collaborative version control such as GIT.

Associate Software Engineer

- Completed intensive training on MEAN stack (MongoDB, Express.js, AngularJS, Node.js), acquiring comprehensive skills in full-stack development.
- Developed and deployed multiple projects using MEAN stack, demonstrating proficiency in creating end-to-end solutions.
- Gained hands-on experience with DotNET and Microsoft SQL, contributing to a well-rounded skill set.

PERSONAL PROJECTS

Pizza Ordering Website

Dec 2021 - Jan 2022

GitHub Link - <https://github.com/VikashKhann/Pizzeria>

- Engineered a user-friendly interface using AngularJS, enabling customers to customize and order pizzas effortlessly.
- Implemented secure user account management and seamless order processing with Node.js and Express.

SKILLS

Hard Skills

- **Front End:** Angular, React, Bootstrap, HTML/CSS
- **Programming Languages:** Typescript, Javascript, Python
- **Other Tech Stack:** NodeJS, Azure DevOps, GIT Version control, MsSql

Soft Skills

- Effective Communications
- Adaptable Approach
- Collaboration and Teamwork
- Problem Solving and Critical Thinking
- Attention to Detail and Accuracy
- Time Management and Prioritization
- Adaptability and Flexibility
- Active Listening and Feedback Incorporation
- Analytical and Research Skills

LANGUAGES

- English - Professional
- Tamil - Native
- Kannada - Fluent

- Utilized MongoDB for efficient database management, ensuring accurate order tracking and customer satisfaction.
- Collaborated with a cross-functional team to integrate real-time order updates, enhancing overall user experience.

Portfolio Website

Nov 2023 - Present

GitHub Link - <https://github.com/VikashKhann/myPortfolio>

- Implemented a sleek and responsive design using React.js, creating an engaging user experience.
- Featured a comprehensive display of skills, projects, and professional experience for effective self-presentation.
- Ensured optimal performance through efficient use of HTML and CSS, contributing to seamless navigation.

To-Do List

Jan 2024 - Present

GitHub Link - <https://github.com/VikashKhann/todoapp>

- Implemented React.js core concepts, including useState for dynamic state management and arrow functions for efficient code structure.
- Utilized props to pass data between components, creating a modular and maintainable codebase.
- Developed a functional and visually appealing to-do list application, showcasing proficiency in React.js development.

CERTIFICATIONS

Learn JavaScript Basics

Oct 2023 - Dec 2023

[Certification Link](#)

Mastered fundamental JavaScript concepts, enhancing proficiency in dynamic web development from Codedamn.

Responsive Web Design

Jan 2022 - April 2022

[Certification Link](#)

Certified in Responsive Web Design, demonstrating skills in creating user-centric interfaces from freecodecamp.

Python Bootcamp Certificate

Jan 2022 - July 2023

[Certification Link](#)

Completed a comprehensive Python Bootcamp, showcasing versatility in Python programming from Udemy.

- Hindi - Conversational
- Telugu - Conversational

EDUCATION

AMC Engineering College

BE, Computer Science and Eng

August 2017 - August 2021

Visvesvaraya Technological University

8.13 CGPA — First Class with Distinction

SBM Jain College

PCMB

July 2015 - April 2017

Pre University Board

70 % — First Class

ST Francis School ICSE

SSLC (10th Std)

July 2007 - March 2015

Indian Certificate of Secondary Education

77 % — First Class
